Summer Enrichment Opportunities for
Highly Able Students

Summer will be here before you know it! Do you want to avoid cries of "What can I do? I'm bored!" Then, visit the HCPSS G/T website to learn more about summer opportunities for high achieving students. Information will include many exciting program opportunities for students in kindergarten through grade 12 featuring the Howard County G/T Summer Institutes for Talent Development, Maryland Summer Centers for Gifted & Talented Students, and more. Parents of elementary, middle, and high school students are invited to visit the web site & share it with a friend!
